Services Overview

ITALDesign Group International delivers full turnkey interior solutions tailored for high-rise apartments, condominiums, hotels and resorts, casinos, as well as multi- and single-family developments.

Our specialties include **kitchens and bathrooms**, where we offer **premium European cabinetry** known for its **modern functionality** and **design precision**. We also provide **custom closet systems** that blend form and efficiency, creating smart storage solutions tailored to individual spaces.

Our **millwork services** deliver **expert-crafted architectural woodwork**, designed to elevate any interior with elegance and detail. We offer a wide selection of **stylish, durable flooring** sourced from Europe to meet both aesthetic and practical needs. Additionally, our **furniture collections** are curated to enhance **luxury residential and hospitality environments** with timeless design and comfort.

Corporate Qualifications

ITALDesign Group International is a leading importer and manufacturer of high-quality European cabinetry. We serve developers, builders, architects, and interior designers with expert solutions and exceptional craftsmanship.

Our South Florida showroom highlights our full range of offerings, and with one of the largest inventories in the U.S., we're equipped to support projects of any scale with speed and flexibility.

Project Portfolio

With over 850 completed installations, ITALDesign Group International has partnered with many of the industry's top developers, builders, and hospitality groups. Our projects span residential, commercial, and luxury hospitality developments throughout the United States, Latin America, and the Caribbean.
