2019 | WHAT ITALIAN DESIGN IS

Italiansimplicity

Italian**legacy**

ItalDesign has set out to deliver a new standard in the process of integrating innovative design and manufacturing in a marketplace that demands superior quality combined with a competitive cost advantage.

Partners Ted Platon And Yu (Andres) Rui, have over 300 project installations in the past two decades validating their vision and commitment to delivering best-in-class products and services - a core foundation of quality craftsmanship combined with exceptional design and innovation. A vision that drives ItalDesign to a leadership position in the industry.

Italiansophistication

Italian**team**

The team's focus and core business is centered around complex design parameters for multi-family, condo, residential, retail, and hospitality projects. We interface and collaborate with developers, architects, and designers in an effort to maximize the deliverable effortlessly on price, on quality, and on time.
